WORK EXPERIENCE

Adobe Student Ambassador Jul 2026 - Present
Adobe Boston, MA
- Promote Adobe Creative Cloud tools and learning resources through social media content & student engagement initiatives.

Graduate Research Assistant Sept 2025 - Present
Massachusetts College of Art & Design Boston, MA
- Conduct user research across 3 areas: entrepreneurship, international education & sustainability, translating qualitative findings into design recommendations.

Social Media Designer Intern Jun 2026 - Aug 2026
NYSERDA Albany, NY
- Created social media content using Adobe Creative Cloud, translating audience needs into visual communication and content decisions.

UI/UX Designer Dec 2024 - Apr 2025
Le Panthère Ahmedabad, India
- Redesigned website navigation and refined Figma wireframes and high-fidelity interfaces using usability testing findings and stakeholder feedback.

Freelance Graphic Designer & UX Researcher Jun 2022 - Aug 2024
Upwork Remote
- Conducted user interviews, competitive analysis, journey mapping & usability testing to identify user needs & friction points.
- Translated research findings into user flows to guide interface design decisions.

Graphic Design Intern Jun 2024 - Aug 2024
SolidSalt Communication Pvt Ltd Ahmedabad, India
- Designed Indo GSP interfaces with an emphasis on usability & visual hierarchy, and developed Nirbelo packaging aligned with its visual identity.

Branding & Concept Designer Jun 2023 - Jul 2023
Blue Chisel Ahmedabad, India
- Developed visual identities for 2 brands, Mementos and Grow & Grub, including typography, illustrations & visual guidelines.

PROJECTS

Paquet - AR Packaging App 2024
AR app for visualizing packaging before production
- Designed an augmented reality app concept to help users visualize packaging before production.
- Evaluated the AR packaging prototype with 5 participants across 3 core tasks, using findings to refine the preview flow.

Service Design - MassArt MDes 2026
Redesigned the prospective student application journey
- Interviewed 8 prospective students & synthesized findings into 1 application journey map, identifying information gaps & opportunities to clarify the experience.

Synesthesia - Creativity App 2025
Collaborative app for creating & remixing artwork
- Tested discovery, remixing & contribution flows with 5 participants, using feedback to refine navigation and interactions.

HiddenBoston - Discovery Website 2026
Interactive website for discovering hidden places & local experiences
- Designed and developed a responsive discovery website in 2 weeks using Figma, HTML & CSS, implementing interactive search for local places & experiences.

Angle - App Design 2025
Activewear shopping app
- Conducted 6 user interviews and usability testing with 5 participants to inform product filters, product details & checkout, designed 40+ high-fidelity screens in 3 weeks.
